

# DOMINIK SCHERRER

## COMPOSER

An extremely fresh, innovative and resourceful composer, Dominik has emerged as one of the most talented score composers of his generation.

His award-winning music can be heard on some of the finest television dramas made in recent years, earning him an **Ivor Novello Award** and **RTS Award Nomination** for **Ripper Street**, a **2015 Primetime Emmy Nomination** for **The Missing**, and two further **Ivor Novello Nominations**, one for Amazon's **The Collection** and the other for **Marple**, where Dominik's iconic theme runs across all six series. Other landmark dramas include **Inspector Calls** and **Monroe** (series 1 & 2).

Equally accomplished in film scoring, Dominik's credits include Alina Marazzi's **Tutto Parla Di Te (All About You)**, **Scenes of a Sexual Nature** starring Ewan McGregor and Hugh Bonneville **The Truth, The Nine Lives of Tomas Katz** (Best Music Award at Spain's Estapona Film Festival), **Alice Through The Looking Glass** starring Kate Beckinsale, and **Appetite** starring Ute Lemper, for whom he also wrote the title song, which reached No. 2 on the UK classical charts.

Dominik has his own avant-garde disco & video art duo, and composes performance music for the theatre. He also produces sound design and composition for fine art installations, most notably for artist Suki Chan. As composer/director, he has a new film-opera in development. It follows his kinetic opera for screen 'Hell For Leather', which premiered at Sundance and went on to win him 10 awards.

Dominik is a British-Swiss composer who works from his studio in Spitalfields, London.
