

Lorne Balfe

COMPOSER

Lorne Balfe is a Grammy Award winning, Emmy and BAFTA nominated film composer from Inverness, Scotland. His filmography boasts an incredible breadth of titles, ranging from major studio to independent films, tentpole video game franchises, beloved animations films, critically acclaimed television series, and documentary features.

Lorne's recent film and TV credits include Warner Bros' **The Lego Batman Movie**, the Ron Howard-produced series about Einstein titled **Genius**, Dreamworks Animation's **The Penguins of Madagascar** and **Home**, Paramount's **Ghost in the Shell** (co-composed with Clint Mansell), **Terminator Genisys**, Michael Bay's **13 Hours: The Secret Soldiers of Benghazi**, **Churchill**, and the eight-part ITV crime thriller, **Marcella**. He is currently scoring Warner Bros' upcoming Sci-Fi thriller **Geostorm** and a second season of **Marcella**.

In addition to recognition earned for producing two of Hans Zimmer's Oscar-nominated scores, **Sherlock Holmes** and **Inception**, Lorne has also received significant recognition for his work in the United Kingdom. In 2009, Lorne was nominated for the **Discovery of the Year World Soundtrack Award** for his score in the BAFTA award-winning film, **Crying With Laughter**. The same year he was nominated for the prestigious **Glenfiddich Spirit of Scotland Award**.

While working in the UK, Lorne composed the film scores for **Ironclad**, **The Sweeney**, **Not Another Happy Ending** (starring Karen Gillan of Doctor Who) and **Side by Side**. His music is featured in the BBC and Sundance Channel TV mini-series, **Restless**, starring Hayley Atwell and Rufus Sewell, for which Lorne received the **2013 Emmy nomination for Outstanding Music Composition**

When he hasn't been composing for film, Lorne has found additional footing in the video game world. In 2011, Lorne composed alongside Jesper Kyd for the game, **Assassin's Creed: Revelations** and earned a **BAFTA nomination for Best Original Music**. A year later in 2012, Lorne was already hard at work composing as a solo composer for **Skylanders: Giants** and **Assassin's Creed III**. His score for **Assassin's Creed III** would earn Lorne his second **BAFTA nomination for Best Original Music**, as well as the **BSO Goldspirit Award for Best Score for a Video Game**. In late 2013, **Skylanders: Swap Force** as well as **Beyond: Two Souls** were released. **Beyond: Two Souls** features performances by Ellen Page and Willem Dafoe and received **three BAFTA nominations** including one for Best Original Music.

Lorne began his career in Hollywood providing additional music on several major motion pictures including **The Dark Knight**, **Inception**, **Rango**, **Kung Fu Panda 2**, **Madagascar 3**, **The Dark Knight Rises**, and the 2009 Golden Globe nominated film, **Frost/Nixon**.

Lorne's role as a score producer on **The Dark Knight** earned him a **Grammy for Best Score Soundtrack Album for a Motion Picture**. In 2009, Lorne was music producer and composer of the **Call of Duty: Modern Warfare 2** video game, and score producer for Guy Ritchie's **Sherlock Holmes**, which earned a **2010 Oscar nomination for Best Original Score**. Only a year later, Lorne produced the score for Christopher Nolan's **Inception**, which also earned an **Oscar nomination for Best Original Score**.
