

# DOMINIK SCHERRER

## COMPOSER

An extremely fresh, innovative and resourceful composer, Dominik has emerged as one of the most talented score composers of his generation.

His award-winning music can be heard on some of the finest television dramas made in recent years, earning him an **Ivor Novello Award** and **RTS Award Nomination** for **Ripper Street**, a **Primetime Emmy Nomination** for **The Missing**, and three further **Ivor Novello Nominations** for Amazon's **The Collection**, ITV's **Marple** and the Netflix/BBC series **The Serpent**, written by Richard Warlow and Toby Finlay and starring Jenna Coleman and Tahar Rahim. Dominik received a second **Ivor Novello Award** win for the fantasy thriller **Requiem** for BBC/Netflix, on which Dominik collaborated with Natasha Khan, aka Bat for Lashes (*"The music and sound effects [...] constitute a revelation: why, when it can be done this well, was it ever done otherwise?"* The Guardian).

Dominik has most recently scored both series of the BBC/ HBO thriller **The Tourist**, written by Harry and Jack Williams and starring Jamie Dornan, the BBC One series **Boat Story** and **No Escape** for Paramount+. Other scores include **The Confessions of Frannie Langton**, both series of **Baptiste** produced by Two Brothers Pictures, the BBC drama film **Elizabeth is Missing** an adaption of the book by Emma Healey, the 8-part thriller **The Widow** for ITV/Amazon starring Kate Beckinsale and Charles Dance, and Mammoth Screen's **The City & The City** directed by Tom Shankland.

Equally accomplished in film scoring, Dominik's credits include Alina Marazzi's **Tutto Parla Di Te (All About You)**, **Scenes of a Sexual Nature** starring Ewan McGregor and Hugh Bonneville **The Truth**, **The Nine Lives of Tomas Katz** (Best Music Award at Spain's Estapona Film Festival), **Alice Through The Looking Glass** starring Kate Beckinsale, and **Appetite** starring Ute Lemper, for whom he also wrote the title song, which reached No. 2 on the UK classical charts.

Dominik has his own avant-garde disco & video art duo and composes performance music for the theatre. He also produces sound design and composition for fine art installations, most notably for artist Suki Chan. As composer/director, he has a new film-opera in development. It follows his kinetic opera for screen 'Hell For Leather', which premiered at Sundance and went on to win him 10 awards.

Dominik is a British-Swiss composer who works from his studio in Spitalfields, London.
