## COMPOSER

Sion is a composer and virtuosic multi-instrumentalist whose music is immediate and distinctly exciting, soulful and otherworldly. His presence as performer on all his scores brings with it a unique emotional language and synchronicity with every production.

Recent credits include scoring the FX series **Say Nothing** starring Lola Petticrew, Maxine Peake, Anthony Boyle and Rory Kinnear, Netflix's **Toxic Town** with Jodie Whittaker, Claudia Jessie and Robert Carlyle and **Death Valley**, starring Timothy Spall and Gwyneth Keyworth for the BBC. He created scores for award-winning Welsh language feature film **Y Swn**, S4C's **Creisis** and Netflix's **Rough Cut**. He also continues to collaborate with contemporary dance choreographers and create work for numerous productions, most recently working with Joy Alpuerto Ritter on her stage productions *Forget Me Not* and *Oz*, *Der Zauber in Uns*, and Gwyn Emberton on experimental feature film, *Y Dewis*.
