Jacob Shea

COMPOSER

Jacob Shea is a Los Angeles–based composer whose work spans film, television, and games. A **BAFTA and Emmy Award** nominee and **Hollywood Music in Media Awards** winner, his composer credits include **Planet Earth II**, **Blue Planet II, Seven Worlds**, **One Planet**, and **Through the Wormhole** with Morgan Freeman.

He has collaborated with leading composers including Hans Zimmer, Elliot Goldenthal, and Steve Jablonsky, contributing as a programmer and additional writer to projects such as **Public Enemies, Despicable Me, Transformers: Dark of the Moon, Pirates of the Caribbean: On Stranger Tides, Battleship, Lone Survivor**, and **Call of Duty: Modern Warfare 2**.
