## COMPOSER

Siôn is a Welsh composer and virtuosic multi-instrumentalist whose music is immediate, instinctive, and distinctly exciting; both soulful and otherworldly. Recent credits include the FX series **Say Nothing; Legends, Toxic Town** and **How to Get to Heaven from Belfast** for Netflix, **Waiting for the Out** for the BBC, and feature film **Effi o Blaenau** (the highest grossing Welsh-language film of all time).

Upcoming projects include feature film **Lemonade** starring Barry Keoghan, and A24's series **The Spot**, starring Claire Danes and Ewan McGregor

Siôn is a prolific releasing artist with a vast back catalogue, be it with his own instrumental music or his alternative / electronic outfit, Future Kult.
